

2025 SCHOLARSHIP APPLICATION INSTRUCTIONS

Please assemble materials listed below and send by to:

Leah Kasperek, TEC Scholarship Chairman

c/o Cameron LNG

12770 Coit Road, Suite 907

Dallas, Texas 75251

Entries must be dated on or before NOVEMBER 1, 2025

Application Contents:

- Application Contact Information (form supplied)
- Official Transcript(s). Include both undergraduate and graduate work.
- Applicant essay
 - In no more than one type-written page, please tell us:
 - Why are you interested in the energy field?
 - What future career directions are you considering?
- Applicant vitae
 - Please describe yourself including:
 - Your work/school history.
 - Awards or honors you have received.
 - Contact or work experience within the energy industry.
 - Community or energy association involvement.
 - Statement with level of need and scholarships awarded.
- Two recommendations dated on or after August 1, 2024, each sealed in a separate envelope with tape across the sealed flap and the signature of the respondent across the tape. The envelope should have the applicant's name on the front. Preferred reference choices are:
 - a professional within the energy industry
 - a math, science, engineering, or energy professor
 - a former employer

Please use a font size no smaller than 10 for essay and vitae.

Questions: Leah Kasperek, TEC Scholarship Chair, scholarship@texasenergycouncil.org

The Texas Energy Council (TEC) is a non-partisan, nonprofit 501 (c)(3) organization of professional and educational societies dedicated to serving the energy industry in Texas.
